

## **CHERISHED PLACE**

Cherished Place is a sweet smelling blend designed to use as a room spray or fragrance that lightens the atmosphere and creates an uplifting mood.

When your environment feels stale and lacking oxygen, use this spray to freshen the air and give a feeling of the fresh outdoors.

Cherished Place cleanses the air of toxins and germs while leaving behind life enhancing molecules that nurture and support a healthy environment.

Cherished Place can replace incense burning for those who are sensitive or allergic to smoke. Safe to use around pets and children.

Cherished Place is appreciated by all and can replace the toxic artificial room sprays we see advertized so heavily.

### daily uses

#### **MISTING SPRAY**

- Add 10 to 12 drops of Cherished Place to 4 ounces of distilled water in a blue cobalt spray bottle. Shake well before use. Use as a room spray to freshen and disinfect the air.
- Mist around yourself before you meet with negative or combative people to dispel discord and animosity and create an environment of peace and harmony.
- Add 5 to 6 drops to 2 ounces of distilled water in a blue cobalt bottle. Shake well before use. Carry with you to share with friends and family as a replacement to the toxic room fragrance sprays. Great to sample out to potential customers.

#### **RESPONSIBLE CAUTIONS**

- Use as directed. For topical and aromatic use only.
- Store at room temperature with lids securely tightened, keep away from sunlight.
- Non-toxic non-irritating and non-sensitizing when used as a room spray. If you have chemical sensitivities use with caution until you see how you respond to the blend.
- Not recommended for use during early pregnancy due to possible hormonal influence of Essential Oils.
- People with highly sensitive skin may want to dilute this blend before applying directly to the skin.
