## product summary

For many, the holiday season starts with putting up the Christmas tree.

Back when most trees were real, your home became immersed in the fresh fragrance given off by the tree. No matter what variety, they all had an incredibly fresh, piney scent that everyone finds uplifting. This would inspire the making of cookies and pies and soon that long-awaited holiday smell we were all anxious for had arrived... the smell of the Christmas tree intertwined with the sweet and spicy cookies.

The Christmas in the country from our fond childhood memories can be recreated using the Country Christmas essential oil blend.
