

# EMOTIONAL BLENDS

## DISPEL POVERTY

Poverty mentality is an attitude. It's a way of thinking said to perpetuate poverty because the focus is on what one doesn't have rather than what one does have.

Thoughts and comments such as "I can't afford this..." and "I'll never have enough money for that..." can turn out to be a self-fulfilling prophecy.

Rather than concentrating on what we don't have compared to others, we need to focus on what we do have and how to positively get what we want.

Dispel Poverty can help those who think negatively about money to release that pattern of thought and behavior.

1.5%	9 drops	1 ounce
2%	12 drops	1 ounce
3%	15 drops	1 ounce
