

Dragon Fire

Dragon Fire is a proprietary blend uniquely formulated with carefully selected, high-frequency Essential Oils. This powerful blend targets negative energy of the most profound, insidious, and damaging nature to transmute that energy into life-affirming, life-enhancing energy.

This blend contains Dragon's Blood oil made from the resin of the Daemenorops Draco B.L., a palm growing in the marshy regions of Southwest Asia. Dragon's Blood resin has long been used as incense in India to neutralize negative energies. Dragon's Blood gives this formula power to remove the most insidious of negative energies. Designed specifically for use in areas where there has been a divorce, bankruptcy, violence, or death.
