

DREAM WEAVER

This mind-enhancing blend is formulated to support the expansion of the sixth (third eye) Chakra - the center of imagination and intuition.

**CREATIVE,
SUPPORTIVE,
IMAGINATIVE**

When life experiences have stifled our dreams, this blend aids our ability to create a positive vision for the future.

Supportive to inner wisdom and foresight.

Dream Weaver energizes the creative process, inspires abstract thinking, and aids us in bringing dreams into reality.

Its intoxicating aroma can assist in transforming apathy and hopelessness into productive energy, thereby providing forward sight into a future of our own desire and making.
