

# OREGANO LAVENDER

This unique blend has the benefit of the powerful antiseptic properties of Oregano oil with a carvacrol (phenol) content in the mid to upper 70 percentile, and our gentle Lavender fine from France.

**POWERFUL,  
ANTISEPTIC,  
ANTI-FUNGAL**

These two together create a phenomenon known in the natural world as "quenching." This means that the severe skin irritation produced by the Oregano is alleviated by the anti-burn properties found in Lavender fine.

This blend has been used in medical clinics very successfully in treating antibiotic resistant fungus. This is a powerful nail anti-fungal and can be applied to the nail bed and surrounding tissue two to three times a day as needed.

Oregano is renowned for its antiseptic properties, and the Oregano Lavender blend can be used on insect bites and/or animal bites (around bite) whenever there is possibility of West Nile Virus or other disease carried by insects and animals.

May help prevent infection in shallow cuts and scratches. Apply to the area once or twice and then follow up with Tea Tree Essential Oil.

**Available in: 10ml Bottle**

## daily uses

### TOPICAL

- Apply to insect bites as needed to relieve itching.
- Apply to shallow cuts and scratches. Apply once or twice and then follow up with Tea Tree Oil.
- Apply to nail beds and surrounding tissue two to three times per day as needed to treat nail fungus.

### RESPONSIBLE CAUTIONS

- Not recommended for children under age ten, the very elderly or those with liver disease, pregnant or nursing women.
- Avoid contact with eyes and mucus membranes. If you should get oil in the eyes, apply a carrier oil and seek medical help.
- Oregano is liver-toxic and should not be used on an every day basis, after one bottle take a two week break before using one more bottle. Use as directed on info sheet for liver support while you use this blend.
