Fragrancing the home has become an important trend for interior decorating; it's a way to personalize a space and is as important to people as their color scheme and furnishings.

The scent, above all, impacts how we feel when we enter a space. Often, in our decorating, the entryway gets overlooked. Many come home to an entry with carpet or tile, maybe a stairway or hallway, and little other décor.

The entryway is the first impression we make on those who come to visit. What does yours say about you?

There are no hard and fast rules for which fragrance you choose, the main thing is to surround yourself with scents you enjoy and those that have an uplifting effect on your mood.

Fragrant Room Sprays

To set the ambiance of your home, you can keep an assortment of room fragrance sprays in your entryway. This is a great way to greet your guests when they come to visit.

Change the feel of your home by trying out different sprays; each one imparts its own particular mood into the environment. Try several and see which ones your family enjoys the most.

DIY FRAGRANCE SPRAY

When making Essential Oil fragrance sprays, you will start with Distilled Water and a cobalt blue glass or PET plastic spray bottle. Oil and water don't mix, so you will also need Dead Sea or Pink Himalayan Salt.

When you add your Essential Oils to a pinch of salt before adding to the Distilled Water, it disperses the Essential Oil and also helps the scent linger longer in the air. You still should shake the bottle of fragrant spray a bit before you spritz so that the Essential Oil is evenly distributed in the liquid.

- 4 ounces of Distilled Water
- ¼ teaspoon Dead Sea or Pink Himalayan Salt
- 20 drops of Essential Oil

In a 4-ounce blue cobalt spray bottle, mix your favorite Essential Oil(s) and salt, then add to water, taking care to label each bottle with the oil(s) used.

You may want to display 4 or 5 bottles in a basket on a table in your entry so they're handy to use when you arrive home or to spray just before guests enter your home.

DIY CITRUS POTPOURRI

- Lemon, Orange & Lime peels
- 20 drops of Citrus Joy
- ½ cup Dead Sea or Pink Himalayan Salt
- Sprigs of Rosemary, flower petals, leaves, etc.

Save Lemon, Orange, and Lime peels and allow to air-dry. Add Citrus Joy to the salt and mix well. Toss peels and other ingredients in a ziploc bag with the salt & oil mixture and shake gently. Display potpourri in a decorative bowl.
