

Prostate Care

Prostate Care is a men's Terrain Synergy Oil for Prostate Health. Prostate Care is specifically formulated with Essential Oils known to have relaxing and anti-inflammatory properties.

Prostatitis (inflammation of the prostate) can be assisted by aromatherapy when combined with herbs and nutrition.

A sitz bath reduces inflammation, stimulates circulation, and relaxes the muscles in the pelvic region.

If you cannot do a sitz bath, then try a warm compress after Prostate Care has been applied behind the scrotum.

Research has shown that muscle relaxation is vital in relieving a prostate that is chronically inflamed due to hormone imbalance.

Throughout the month, periodically apply Sun Blend on the lower back, inner thighs, and stomach area; just apply 2-3 drops twice weekly. Be consistent.

ingredient highlights

- Lavender, vera is very calming and has great anti-inflammatory properties. It is also antibacterial; great for killing bacteria and stunting any further growth. Lavender, vera is also helpful when dealing with infections in the bladder, urinary tract, kidneys, and prostate.
- German Chamomile is known for its anti-inflammatory properties whether internal or external.
- Ocean Pine is known for its antiseptic and anti-inflammatory properties. It has a refreshing, stimulating, and invigorating scent.
