goDésana
feel the pure plant difference

application

Aromatic • Topical

safety group #2

ingredients

Anethum graveolens (Dill Weed), Rosemarinus officinalis ct. cineole (Rosemary ct. 1,8 cineole), Citrus limon (Lemon), Thymus vulgaris ct. linalool (Thyme ct. linalool), Cymbopogon martinii (Palmarosa)

suggested use

- Diffuse 6 to 8 drops for 15 minutes.*
- May be applied onto the ears, sinus, and throat reflex points on the feet, as well as the lung reflex points.*
- Can be applied over the glandular areas of the throat under the ears and on the lung areas of chest and back.*
- May be inhaled by applying onto a tissue and inhaling.*

responsible cautions

- Non-toxic, non-irritant, non-sensitizing.
- Keep out of reach of children and pets.
- If you are pregnant, nursing, or under a doctor's care, consult your healthcare provider prior to use.

product summary

Congestion in children can be caused by colds, flu, and allergies. Congestion isn't the same as an infection, but it does create a breeding ground for bacteria. Chest congestion can interfere with breathing, sleeping, and eating.*

Respi Relief For Kids is a proprietary blend of Essential Oils that have been shown to assist and help support the body with ENT and lung issues in children ages 3 years and over.*

ingredient highlights

Rosemary ct. 1,8 cineole is excellent with pulmonary congestion and respiratory conditions such as colds, flu, strep, bronchitis, and sinusitis. Its stimulating and uplifting properties are of added benefit when dealing with asthma or other respiratory issues involving a nervous or emotional component.*

Thyme ct. linalool is one of the preferred oils for use with children and the elderly when a powerful infection fighter is needed; particularly with colds, coughs, flu, and respiratory infections. Because of its antispasmodic properties, it is ideal for helping to control coughing fits.*

Lemon can be beneficial to the circulatory system and blood flow, reducing blood pressure and helping with nosebleeds. It may bring down fever, help relieve throat infections, bronchitis, asthma, and flu.*

Dill Weed is an effective immune stimulant.*
