product summary

Sesso Dolce Intense is a safe, topically applied blend of pure, organic essential oils, organic virgin Sesame Seed Oil, and Fractionated Coconut Oil. Each essential oil was selected for its ability to increase blood flow, provide warmth, and to help promote a healthy hormone balance naturally, without the use of synthetic chemicals or drugs.*

Sesso Dolce Intense gently increases blood flow naturally, without irritation, and with continued use has been shown to assist the body with balancing hormones.*

Unlike most romance enhancement products, Sesso Dolce Intense does not force women's or men's bodies into sensitivity, but instead allows the body to experience its natural ability for romance.*
