

SILVER BESAFE

Silver is a potent natural antibiotic; shattering anaerobic bacteria because of its specific vibratory frequency, much like an opera singer's high note shatters a crystal glass.

WHY SILVER BESAFE

Unlike modern pharmaceutical antibiotics, nature's remedy leaves helpful, aerobic, pro-biotic bacteria intact. Silver's importance as a bactericide has been documented only since the late 1800s, but its use in purification has been known throughout the ages. Early records indicate that the Phoenicians, for example, used silver vessels to keep water, wine, and vinegar pure during their long voyages. In America, pioneers moving west put silver and copper coins in their water barrels to keep them clean. In fact, "born with a silver spoon in his mouth" is not a reference to wealth, but to health. In the early 18th century, babies who were fed with silver spoons were healthier than those fed with spoons made from other metals, and silver pacifiers found wide use in America because of their beneficial health effects.

USING SILVER BESAFE

Ingredients: Silver

Availability: 4 ounce cobalt blue PET bottle

Suggested Usage: Shake well before using. Sublingual (under tongue) or add to a small amount of water. Hold in mouth for 60 seconds before swallowing.

- Adults: 4ml (1 full dropper)
- Child 50-75lbs: 2ml (½ dropper)
- Child 30-50lbs: 1.3ml (1/3 dropper)

LEARN MORE

Our goDésana Organics Essential bioMinerals offer a mineral nutrition delivery system in line with nature's own design. We begin with pure minerals and utilizes a cutting edge technology and proprietary cultivation technology to bring to you, our premium collection of goDésana Organics Essential bioMinerals and bioMineral formulas.

From the earth's purest minerals we cultivate water soluble minerals into an angstrom form (perfect and correct size for cell absorption) through a new scientific technology and proprietary cultivation process. We then harvest in the correct form and perfect size for our body to see as organic, and then we concentrate it for enhanced benefits.
