

TLC All-Purpose Ointment

tea tree / lavender, fine / cistus

TLC All-Purpose Ointment is an exceptional treatment for cuts, scrapes, bug bites, dry skin, chafing, and a wide variety of other skin irritations. It soothes and nourishes skin as it rejuvenates.

ingredient highlights

- Australian researchers have performed many studies proving the efficacy of Tea Tree's ability in fighting bacterial infections. Tea Tree, unlike antibiotics, does not kill indiscriminately, but can identify and kill destructive bacteria while leaving the friendly bacteria we need to stay healthy.
- Lavender, fine is known to assist the body with its ability to heal wounds due to its powerful antiseptic properties. Applying it to cuts and scrapes increases cell growth while accelerating the healing process and lessening the possibility of scars. It's also known to assist with/stop bleeding, clean the wound, and kill pathogens.
- Cistus Essential Oil has anti-hemorrhagic, anti-inflammatory, antiviral, antibacterial, and immune supporting properties that make it ideal in healing wounds, diminishing bruising, and reducing inflammation.
- Arnica Oil helps to reduce swelling, protect against infections, and alleviate pain. It's often used in sports medicine as homeopathic first-aid relief for sports and exercise related injuries.
- Tamanu Oil has the ability to promote the growth of new tissue when applied to a wound. It is often used to relieve irritation caused by scrapes, burns, rashes, insect bites, scars, and sunburn. With its regenerative effects, it can bring comfort after too much sun exposure while breaking down some of the free radicals caused by the UV rays.
- Peppermint Essential Oil is a highly effective natural pain killer and muscle relaxer. It's great for alleviating and soothing tight and sore muscles, aches and pains, and tension headaches. It's also been found to be a great itch reliever whether you're battling a rash, bug bite, or poison ivy. Peppermint Oil also has the power to hydrate dry/burned skin and is great for soothing the pain and irritation of a sunburn.

suggested usage

TOPICAL

- Gently massage onto areas of concern as needed.
- To ease sore and tired feet massage with TLC All-Purpose Ointment.
- Great moisturizer for heels, knees, and elbows.

responsible cautions

- Store away from sunlight, at room temperature, with the lid securely tightened.

ingredients

Theobroma cacao (Organic Cocoa) Butter, *Simmondsia Chinensis* (Organic Jojoba) Oil, Wheat Germ, *Mentha piperita* (Organic Peppermint) Leaf Essential Oil, *Olea Europaea* (Organic Olive) Oil Extract of (Organic Arnica) Flowers, *Calophyllum Inophyllum* (Organic Tamanu) Oil, *Borago officinalis* (Organic Borage) Seed Oil, *Melaleuca alternifolia* (Tea Tree) Essential Oil, *Lavandula angustifolia* (Lavender, fine) Essential Oil, and *Cistus ladaniferus* (Cistus) Essential Oil

topical dilution guidelines

Ages 10 & Over: Topical dilution for healthy individuals is 10% (60 drops per 1 ounce of carrier oil). A topical dilution of 25% (150 drops per 1 ounce of carrier oil) may be warranted in cases of severe pain, bad bruising, or serious muscle cramping.

pregnancy & children

Safety Group #1: Generally reported as safe when properly diluted and used as directed with children and while pregnant or nursing.

Topical

- Infant to 3 months - safe when used as directed
- 3 months to 3 years - safe when used as directed
- 3 to 5 years - safe when used as directed
- 5 to 10 years - safe when used as directed
- Pregnancy - safe when used as directed

Bath

- Infant to 3 months - not recommended
- 3 months to 3 years - not recommended
- 3 to 5 years - not recommended
- 5 to 10 years - not recommended
- Pregnancy - not recommended

Remember that blends, because of the smaller percentage of the stronger oils, are usually safer than single oils; especially during pregnancy, while nursing, and when using with children or the elderly.
