

# Tri Remedy For Kids

**Ingredients:** 100% Pure, Certified Organic and Wildcrafted oils of Lavender, spike; Ravensara ct. 1,8 cineole, Rosemary ct. 1,8 cineole, Euclyptus Radiata, and Grape Seed

The common cold and influenza have similar symptoms, and both are contagious respiratory infections. Although there is no cure for either a cold or the flu, easing some of the associated discomfort can help everyone during a child's illness.

Tri Remedy For Kids is a proprietary blend of Essential Oils that have been shown to assist and help support the body with colds, flu, and other viruses in children ages 18 months and over.

## ingredient highlights

- Lavender, spike, sometimes referred to as Spanish Lavender, is native to Spain, France, Italy, the Mediterranean region, and Northern Africa. It contains a greater percentage of camphor than regular Lavender, giving it stronger analgesic and expectorant properties. It is an excellent choice for easing headaches, muscle aches, pains, and the discomfort associated with arthritis.
- Ravensara ct. 1,8 cineole is one of the most versatile and indispensable Essential Oils. Potent, yet safe and gentle. Ravensara has been used for centuries in fighting infections.

- Rosemary ct. 1,8 cineole is excellent with pulmonary congestion and respiratory conditions such as colds, flu, strep, bronchitis, and sinusitis. Its stimulating and uplifting properties are of added benefit when dealing with asthma or other respiratory issues involving a nervous or emotional component.
- Eucalyptus Radiata is primarily an Essential Oil for the respiratory system. It is a powerful expectorant and mucolytic with good ability for fluidification. It is gentle yet effective for respiratory problems and is easily tolerated by children.

## suggested usage

- Apply to soles of feet, or dilute with carrier oil for massage, at the first sign of symptoms.

## responsible cautions

- Keep out of reach of children and pets. Use as directed, and adhere to Responsible Cautions at [www.godesana.com/cautions.asp](http://www.godesana.com/cautions.asp).
- Store away from sunlight, at room temperature, with lid securely tightened.
- Not for use in children under 18 months of age.
