

Purify

protective blend

Ingredients: Sage, Ravintsara, Niaouli, Organic Hazelnut, Organic Grape Seed.

Purify is formulated with Essential Oils that have been shown to assist the body with all types of herpes outbreaks.*

Herpes simplex, a viral disease caused by the herpes simplex virus, can cause painful infections on various parts of the body. Oral herpes affects the mouth and may result in small blisters called cold sores or fever blisters. Genital herpes may have minimal symptoms or form blisters that break open and result in small ulcers. Herpes cycles between periods of active disease followed by periods without symptoms.*

Users of Purify have reported that daily use greatly minimizes repeat outbreaks.*

suggested usage (10 years & up)

BATH:

- Not appropriate for bath.*

STANDARDS OF QUALITY

All ingredients in goDesana Organics products are 100% pure and therapeutic, meaning they are sourced and approved by Master Formulator Alexandria Brighton to the highest standards possible.

Our raw plant ingredients are chosen for their integrity (all chemical constituents important for use are intact), ecological 'soundness' (all are organic or wild-crafted), and the specific therapeutic chemical constituent percentages that Alexandria Brighton insists upon for safety and therapeutic properties.
