

Success Mentoring Blends

The Alexandria Brighton Success Mentoring Blends are unlike any blends you may have experienced from any other source.

Alexandria's deep, innate wisdom, intuitive guidance, and energetic sensitivity leads her to create synergistic blends that are far more than “a bunch of oils mixed together” as is so common in the essential oil industry.

The profound energetic and therapeutic properties are far more beneficial than the sum of their parts, offering benefits far beyond the simple applications for which we might use them.

Much like the difference between listening to a recording of a symphony, and the experience of being in the room of that same profound and moving symphonic performance - the subtleties of Alexandria's blends will feed your body, mind, and soul.

How many times have we told ourselves this is it, this is the one... this is the time?

This is the time I get that contract... this is the time I get the promotion... this is the time I will succeed... this is the company where I am really going to be successful!

Then the hard work begins and the rejections happen, and sadly our resolve slowly starts to diminish until the light goes out altogether.

The Success Mentoring Blends have never been needed more than now, when the world is experiencing major energetic and economic crises. Opportunities that give you a real possibility for improving your personal financial situation and providing real security and well-being for yourself and your family don't come along every day.

The Success Mentoring Blends are designed to mentor you through some of the most common and self-limiting beliefs that keep you from the success and abundance you so richly deserve. Not only will this collection help you, but you can use it to mentor and inspire your family, friends, loved ones, and the incredible people who are part of your goDesana organization!
