ingredient highlights

Apricot Kernel Oil: An antioxidant-rich oil that aids in protection from free radicals. Apricot Oil for skin contains a high content of Vitamin A which helps stimulate cell turnover, plumping the skin and reducing the appearance of fine lines and wrinkles.

Macadamia Nut Oil: Contains a lot of oleic acid, which is great for softening the skin, regenerating skin cells, moisturizing the skin, and is a natural anti-inflammatory. Linoleic acid content helps restore skin barrier function and reduces transepidermal water loss (TEWL).

Avocado Oil: One of the richest sources of beneficial mono-unsaturated fatty acids like oleic acid, Avocado Oil is extremely good at hydrating and softening your skin. Avocado Oil also has anti-inflammatory properties which can help soothe irritation, redness, itching, and swelling.

Black Cumin Seed Oil: Widely used in cosmetic and topical applications, Black Cumin Seed Oil can be applied directly to the preferred areas of skin to hydrate, to soothe acne, burns, and other unwanted blemishes, and to reduce the appearance of signs of aging such as fine lines.

Blue Tansy Essential Oil: Blue Tansy has powerful anti-oxidant, anti-inflammatory, anti-viral, anti-bacterial, and anti-fungal properties which can calm and smooth a range of skin concerns including eczema, acne, and sun damage.

Bulgarian Rose Essential Oil: This opulent oil is well-known for its incredible, sensuous aroma and its anti-fungal, anti-inflammatory, and antioxidant properties. It has been widely used for centuries to treat various skin concerns such as acne, dullness, dryness, and aging.

Frangipani Essential Oil: The glycosides in Frangipani oil play a vital role in hydrating the skin by binding water molecules and promoting collagen production. It soothes dry and cracked skin, keeping it soft and supple. Lignin is responsible for the well-known anti-aging benefits of this oil.

suggested use

- Massage into face, neck, and décolletage, morning and night. Use the pads of your fingers to gently give special attention to areas with developing lines or wrinkles.*
